

SPONSORSHIP OPPORTUNITY: 2010 FAER PRACTICE MANAGEMENT RESIDENT SCHOLAR PROGRAM

Offering CA2 anesthesia residents the opportunity to attend the American Society of Anesthesiologists Conference on Practice Management, January 29-31, 2010, in Atlanta, GA

The three-day ASA CoPM includes a Saturday Resident Track that offers a valuable introductory overview of practice management issues. The FAER Practice Management Resident Scholar Program provides \$750 grants to help defray the cost of sending a resident to the conference. Grants for residents chosen from programs within driving distance of the meeting location will be \$375. It is FAER's intent to award up to 60 grants, but the number of grants awarded will be determined by the amount of funding secured for the program. For more information on the program, go to www.faer.org/programs/pmscholars.

Sponsorship Opportunities

Sponsoring the FAER Practice Management Resident Scholar Program is a great way to help ensure that residents receive the information they need to succeed in private practice. It can also create a positive image for your corporation and increase your industry visibility.

Program sponsors will be recognized in the following ways:

- Identification in program materials for the 2010 CoPM
- Identification on FAER signage at the 2010 CoPM
- For CoPM attendees and exhibitors, badge ribbons designating them as sponsors
- For CoPM exhibitors, signage designating them as sponsors of the program for their exhibit hall booths
- Identification on the FAER website

FAER seeks to raise \$45,000 to sponsor the participation of 60 students in this scholarship program. We welcome donations in any amount, but encourage minimum contributions of \$750 to cover the cost of a single scholarship. We will also consider a variety of sponsorship arrangements, including sole sponsorship and program naming opportunities. **To discuss these opportunities, contact FAER at 507-266-6866.**
