

Anesthesiology Research Grant Funding

The Foundation for Anesthesia Education and Research provides research grant funding for anesthesiologists and anesthesiology trainees to gain additional experience in basic science, clinical and translational, health services and education research. Eligibility requirements and application instructions can be found at FAER.org/research-grants.

	MENTORED RESEARCH TRAINING GRANT	RESEARCH FELLOWSHIP GRANT	RESEARCH IN EDUCATION GRANT	TRANSITION TO INDEPENDENCE GRANT
RESEARCH AREAS	Basic Science (MRTG-BS) Clinical and Translational (MRTG-CT) Health Services Research (MRTG-HSR)	Basic science, clinical, translational, health services or education research	Education research	Basic science, clinical, translational or health services research
PURPOSE	To help anesthesiologists develop the skills and preliminary data to become independent investigators	To provide significant training in research techniques and scientific methods	To improve the quality and effectiveness of anesthesiology education research	To support the transition of investigators from mentored training-focused support to independent (non-mentored) research support
FOR WHOM	Faculty members who have completed anesthesiology residency within the past 10 years	Anesthesiology trainee after CA-1 year	Faculty member of any rank (junior or senior faculty)	Previous MRTG recipient who completed work on FAER grant within the past two years, and has applied for but not received NIH R-level funding or equivalent
FUNDING AMOUNT	\$175,000	\$75,000	\$100,000	\$75,000
DURATION	Two years	One year	Two years	One year
PERCENT RESEARCH TIME	75%	80%	40%	75%
APPLICATION DEADLINES	February 15 and August 15	February 15 and August 15	February 15 and August 15	Applications accepted on a rolling basis
